The Summer School is organized by the University of Chemistry and Technology Prague (www.ict-prague.eu), Institute of Organic Chemistry and Biochemistry of the CAS (www.uochb.cz/en) and Weizmann Institute of Science (www.weizmann.ac.il).

Registration fee includes:

- Admission to the scientific programme
- Accommodation for 5 nights (September 4th – 9th) in Masaryk Dormitory shared in a double room
- Conference materials
- Coffee breaks, lunches
- Welcome party
- Guided tour with dinner

The Summer School is intended mainly for PhD students and postdocs. Expert speakers from major international pharma and biotech companies and academia will cover these broad areas:

- Target discovery
- Structure and in silico based drug design
- Medicinal chemistry – general chemical approaches
- Lead structure characterization
- Preclinical and clinical development
- Principles and examples of commercial drug development cycle

SCHOLARSHIP

Organizers decided to grant a scholarship will be granted to a total of 15 participants in the form of a FREE REGISTRATION. Please send your CV and a short motivation letter to the e-mail: peckova@cbttravel.cz before June 1, 2022. The selection will be made by the Scientific Committee and the participants will be informed by June 30th 2022 at the latest.

BEST POSTER AWARD

We would like to encourage participants to present their research in the form of a poster presentation. The Scientific a Committee will evaluate all contributions and award the BEST POSTER.

You are very welcome to register on-line at http://www.praguesummerschool.cz/registration-online.php
