# Chemistry Eurobachelor<sup>®</sup>

Prague University of Chemistry and Technology  
has been awarded the

**CHEMISTRY EUROBACHELOR<sup>®</sup>** Label  
for its degree of

Bakalář analytické a fyzikální chemie

(Bachelor of Science in Analytical and Physical Chemistry)

Graduates who commence their degree programme between September 2015 and September 2019 are entitled to receive documentation approved by the University and by the European Chemistry Thematic Network Association showing that their degree carries this label.

Done at Prague, 30.08.2015

# Chemistry Eurobachelor<sup>®</sup>

Prague University of Chemistry and Technology  
has been awarded the

**CHEMISTRY EUROBACHELOR<sup>®</sup>** Label  
for its degree of

*Bakalář chemie a technologie paliv a prostředí*

*(Bachelor of Science in Chemistry and Technology of Fuels and Environment)*

Graduates who commence their degree programme between September 2015 and September 2019 are entitled to receive documentation approved by the University and by the European Chemistry Thematic Network Association showing that their degree carries this label.

# *Chemistry Eurobachelor*

*Institute of Chemical technology, Prague*  
has been awarded the **EUROBACHELOR<sup>®</sup>** Label  
for its degree of  
*Chemie / Chemistry*

This award is valid for five academic years and is prolongation of the label valid between September 2006 and September 2010.

Graduates who commence their degree programme between September 2010 and September 2015 are entitled (subject to the conditions listed in the attached letter) to receive documentation approved by the University and by the European Chemistry Thematic Network Association showing that their degree carries this label.

Done at Krakow, 19. 4. 2011
