Prepared by	974 – Department of International Relations
Issued by	Prof. Dr. RNDr. Pavel Matějka, Rector, UCT Prague

1. This Decree is issued based on recommendations by the Ministry of Health of the Czech Republic and the Prague Hygiene Station in connection with information about the spread of the Covid-19 infection caused by the SARS-CoV-2 coronavirus. To avoid any doubt, the Rector's Decree A/V/961/7/2020 of 12 February 2020 remains in force.
2. The Decree applies to students and employees at UCT Prague and regulates extraordinary measures in case of danger of an epidemic outbreak upon return from areas with expected community spread of the Covid-19 infection (hereinafter referred to as a "Covid-19 area of risk"). Up-to-date information about the Covid-19 epidemics published by the Ministry of Health of the Czech Republic can be found [HERE](#).
3. Employees or students who arrive from a Covid-19 area of risk will inform the territorially responsible office of the Hygiene Station (hereinafter referred to as the "Hygiene Station") that decides on the scope of anti-epidemic measures based on the assessment of the type of stay in the Covid-19 area of risk. At the same time, such employees or students will report their return using electronic communication at zahranici@vscht.cz and employees will also inform about this fact their direct superior using electronic communication or by phone.
4. Until a decision is taken by the Hygiene Station, employees and students who have arrived from a Covid-19 area of risk must not attend lessons at UCT Prague, in particular enter areas designated for instruction and study at UCT Prague, libraries and restaurants at UCT Prague or work at departments at UCT Prague.
5. If the Hygiene Station decides that the employee's or student's stay at the Covid-19 area of risk entailed a certain level of risk, the employee or student will report this fact using electronic communication at zahranici@vscht.cz and employees will also inform their direct superior using electronic communication or by phone and for a period of 14 days upon their arrival from the Covid-19 area of risk, i.e. for the period of quarantine, they are prohibited from participating at lessons at UCT Prague or working at UCT departments.
6. Upon being informed about the facts in accordance with Article 3 or 5 hereof, senior workers will allow their direct subordinates to work from home for the number of working days that are required for obtaining the decision of the Hygiene Station, or to complete the period of quarantine.

7. Upon reporting the facts in accordance with Article 3 or 5 hereof, students will be excused from lessons for the period that is required for obtaining the decision of the Hygiene Station, or to complete the period of quarantine.
8. Employees or students who are aware of the fact or learn that a person visiting UCT Prague arrived from a Covid-19 area of risk will report this fact using electronic communication at zahranci@vscht.cz.
9. A person who has invited someone to visit UCT Prague must inform the visiting person about the content of this Decree. This person and the visiting person must abide by the instructions of the Vice-Rector for External Relations and Communication at UCT Prague, distributed by the Department of International Relations, UCT Prague.
10. The Department of International Relations, UCT Prague, will keep records of persons in accordance with Article 3, 5 and 8 hereof and will inform the Vice-Rector for External Relations and Communication at UCT Prague about them.
